

25th February 2011

J-PARC User ID card Renewal for the new administrative year 2011
(H22 [JFY2010] ->H23 [JFY2011])

User ID cards (ID number starts with H22-) issued during Japanese fiscal year (JFY) 2010 (1st April 2010 – 31st March 2011) will be expired on “31st March 2011”. J-PARC Users Office is going to issue the new User ID card for JFY2011.

◆J-PARC users wish to enter J-PARC site on and after April 1st must complete one of following three procedures.

[Annual renewal of the registered experiment] (available by 30th of April)

Users have been registered the experiment (Hadron, Neutrino and Neutron S type).

please do annual renewal from User Support System.

Please submit “Application form to visit J-PARC” and “VISIT PROPOSAL (J-PARC)” from the system after approval and then obtain your new User ID card at Users Office.

[Addition of new experiment]

If you forgot to do annual renewal or wish to add the new experiment, please do the addition of the new experiment from User Support system.

Please submit “Application form to visit J-PARC” and “VISIT PROPOSAL (J-PARC)” from the system after approval and then obtain your new User ID card at Users Office.

[New J-PARC user]

If you visit J-PARC for the first time, please register User Support System.

Please submit “Application form to visit J-PARC” and “VISIT PROPOSAL (J-PARC)” from the system after approval and then obtain your new User ID card at Users Office.
