

Dear all users;

J-PARC Users Office

In Response to the Novel Coronavirus (COVID-19) infection, our facility requests that the following actions be taken by all users. Before accessing to J-PARC site, you are asked to fill out a health questionnaire, and if you are suspected to being infected with COVID-19, are requested to refrain from coming to the J-PARC site immediately. We appreciate for your cooperation.

Please fill out this questionnaire to help us to confirm with your current health condition and submit this sheet to Users Office during office hours or Tokai Dormitory reception desk after office hours.

1. If you have one at least at below condition in the past 2 weeks, please refrain from visiting J-PARC site.

<input type="checkbox"/> Yes	- I have travel history from the countries that the Ministry of Foreign Affairs declared danger warning for infection disease and over -level 2-.
<input type="checkbox"/> No	- I have/had common symptoms of COVID-19: Extreme fatigue (tiredness), Difficulty breathing (suffocation feeling), High body temperature, and Loss of taste or smell.
	- I have been in close contact with someone with COVID-19.
	- I have visited place(s) the prefectural government requested business suspension or outbreak (mass infection) has been occurred.

2. Please answer the question about yourself.

<input type="checkbox"/> Yes	I have concerned about my health condition.
<input type="checkbox"/> No	If the answer is "Yes", please check your body temperature, now. (°C)

When you have one or more –Yes- above questionnaire, please refrain from getting started your activity onsite AND talk with the person in charge of your activity/experiment.

Make sure if you will develop symptoms above and feel not good while staying, please communicate with Users Office (029-284-3398) or the person in charge of your activity/experiment immediately.
